DREAM MACHINE®

features

- **DIGITAL SYNTHESIZED AM/FM TUNER** provides the most accurate drift-free tuning of AM and FM radio stations
- **5 RANDOM STATION MEMORY PRESETS** provides convenient one-button tuning to your choice of AM or FM radio stations
- **DUAL ALARM SYSTEM** permits two separate wake-up settings, an especially useful feature for working couples
- **SNOOZE BAR** shuts off alarm temporarily, to allow a few extra minutes for sleep before it turns on again
- **BACKLIT GREEN LCD DISPLAY** is highly visible and easily readable even in darkness
- **BRIGHTNESS CONTROL** lets you adjust the display brightness to suit your preference during day or night time
- **CONVENIENTLY LOCATED CONTROLS** are easy to reach, easy to adjust, even from bed
- ▲ **SELF-POWER BACK-UP** requires no battery to maintain time settings in event of blackout or other power failure
- ▲ **FUTURISTIC COMPACT DESIGN** is attractive and takes up little space on desk or table top
- **ANTENNAS** include built-in ferrite bar antenna for AM, convenient AC cord antenna for FM
